Location: Cleveland, OH

Price: $619.99

Short Description

Premium Viper 2-way LCD vehicle security system with 1-mile range and Bluetooth smartphone control. This Viper system is what you need and is equipped with a shock/tilt sensor and starter interrupt.

Description

The Viper DS4V Digital Security System is a cutting-edge automotive security and remote start system designed to provide unparalleled protection and convenience for vehicle owners. With advanced features like smartphone integration and remote start capabilities (OPTIONAL), the DS4V ensures peace of mind and ease of use. Its intuitive interface allows users to control their vehicle from 1-mile away, while its robust security measures safeguard against theft and unauthorized access. Whether it's ensuring vehicle safety or enhancing comfort with remote start functionality, the Viper DS4V offers a comprehensive solution for modern automotive security needs.

This sleek new design features a slimmer profile for enhanced comfort and convenience, along with an upgraded USB-C charging port for improved reliability and longevity. The intuitive layout places the main remote buttons on the front for quick access and the less used ones on the side of the remote control. The color LCD screen confirms the commands or status of the system and alerts you to violations of the vehicles zones when armed. The screen has many options to customize it to your preferences.

Some of the new remote control features

- 9-Different color schemes to chose from
- 15-Different text colors to chose from
- 12-Different vehicle type options
- 15-Different paint color options of vehicle
- English, French or Spanish languages
- Date and time settings for event history
- Customize the name for the vehicle Ex: Jude's Porsche
- Assign names to the AUX outputs Ex: Sliding Door, Fuel Door, LED Lights
- Has 2 Car control so you can also use for another vehicle

Key Features:

- 1-Mile remote range
- Bluetooth Smartphone Control
- Parking Light Flash
- Failsafe® Starter Kill - Modern ignition systems or push-to-start vehicles require extra parts and labor*
- Digital DoubleGuard® Shock Sensor
- Digital Tilt Sensor
- 6-channel security/keyless entry system
- Control Center with integrated valet switch and bright blue status LED
- Dome Light Supervision
- 5 Auxiliary Outputs
- Horn Honk
- Auto Re-Arm. If you lock you vehicle and do not enter the vehicle, the system will rearm itself
- Upgradable remote start capability
- SmartStart™ GPS Compatible

Includes:

- 2-Way 7957V Color LCD remote control
- 1-Way 7657V remote control
- All Required Harnesses for Installation
- Professional Installation*
- Lifetime warranty; 1-year remote control warranty

ADD-ONS:

- Backup Battery Siren
- Voice/Vocal Siren
- Additional siren
- Optional Special T-Harness (NO factory wires cut)

***The fine print: Not all vehicles are build the same and in some instances extra parts or labor might be required to install this system, such as; hood pins, data interfaces, relays, etc... Some vehicles might even require a completely different system or aren't supported.**

Our Warranty

Access 1 Alarm & Audio provides to the ORIGINAL owner a lifetime warranty on the installed system and includes the Control Module (brain), Antenna, Program Switch. LED and labor.

- NOTE: The lifetime warranty DOES NOT include remote controls, which are covered by a 1-year warranty against defects.
- NOTE: Disconnecting or modifying the wiring by anyone other than Access 1 Alarm & Audio VOIDS the warranty.
- NOTE: If technology moves on and your system is obsolete due to the country's infrastructure progressing, we can't warranty the system. As what happened with the 2G cellular network.
