### Short Description

Automate LCD 2-Way And 1-Way Remote Controls

### Description

**Brand NEW Automate 7756A Responder LC3 SST Supercode 2-way LCD With 1-Mile Range Remote Control Transmitter PLUS 7656A Companion 1/2-Mile 1-Way Remote Control With USB Charging Cable and Remote Manual.**

The Automate 7756A 2-way LCD 1-mile remote control is Automate's newest style of LCD 2-way remote control and is the standard remote for Automate's premium DS3, DS3+, DS4, DS4+, or the 4806A remote start system. Further, it is the 2-way LCD upgrade for the 4606A and 4616A Automate systems. Included in this listing is the companion 1-way Automate 7656A remote control. Reference the application table below. Do you have the comparable Clifford, Python or Viper systems? You can replace those remotes with this Automate remote control. Reference the application table below.

Are you just looking for a replacement Automate remote control for your system or maybe you just an additional remote control? Buy brand new from Access 1 Alarm and Audio!

**Why buy from us?** Well, we are the experts that only believe in perfection, from

the quality of our images to the accurate description in each and every listing.

These remote controls are from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Automate system. This is Automate's newest generation of Responder remote controls equipped with the new Priority icons with the text seen on a 20% larger LCD screen. The 7756A remote control has a built in lithium-ion rechargeable battery with micro-USB charging - all in the slimmest display remote control on the market. This remote works with many Viper, Python and Clifford systems
