Short Description
Pursuit 2-Way 1-Button Remote

Genuine Pursuit 181TWXPR 2-Way 1-Button Remote Control — FCC ID: TBQT4-SS2W. For compatible Pursuit / Prestige TYPE 24 systems listed in the full description. Single START button design. **One brand-new 181TWXPR remote with one CR2450 battery included. $59.99.** Programming required.

Description

Pursuit 181TWXPR 2-Way 1-Button Remote Control

Replace a lost, damaged or worn-out transmitter, or keep a spare available, with a **brand-new, genuine Pursuit 181TWXPR 2-way, 1-button remote control**. This original manufacturer remote is designed for compatible **Pursuit / Prestige TYPE 24 systems**.

The single START button controls supported functions on your installed system.

Available operation and two-way feedback depend on the system and configuration.

This listing includes **one genuine Pursuit 181TWXPR remote and one CR2450 battery**. **Programming is required.**

$59.99GENUINE PURSUIT 181TWXPR

Brand-New 2-Way 1-Button Remote — CR2450 Battery Included

GENUINE PURSUIT Original manufacturer transmitter

2-WAY REMOTE For compatible TYPE 24 systems

ONE BUTTON Single START button design

BRAND NEW One CR2450 battery included

Genuine Pursuit 181TWXPR Replacement Remote

Use the 181TWXPR to replace an existing compatible transmitter or add a remote to a supported installation. Check the system model and receiver before ordering.

What you receive: One brand-new Pursuit 181TWXPR remote and one CR2450 battery. System control module and receiver are not included.

2-Way, 1-Button Operation

The 181TWXPR combines a single START button with two-way communication on

supported installations. Follow your system owner's manual for button operation and feedback indications. A compatible, functioning system must already be installed; the remote does not add remote-start or security equipment to the vehicle.

Pursuit / Prestige TYPE 24 System Compatibility

PRESTIGE TYPE 24

- APS596Z
- APS787Z
- APS997Z
- PE1BTWZ
- PE1BTWZ2

PURSUIT / PRESTIGE TYPE 24

- PE1BZLR
- PE2LCDZ
- PE2LEDZ
- PE2RELCDZ
- PE5BZ

PURSUIT TYPE 24

- PR1BTWZ
- PR1BXLR
- PR5BZ
- PR09976Z

Verify Installed Equipment: Compatibility depends on the system and receiver already installed in the vehicle. Vehicle year, make and model alone cannot establish transmitter compatibility.

Programming Required: Select this product's **Programming Instructions** tab for the learn routine. Programming uses the remote's **single START button**.

Owner's Manual: Look for the attachment, usually to the right of the product image.

Video Instructions: Visit the Access 1 Alarm & Audio YouTube channel for available operation and programming videos.

Compatible Remote References

Replacement or compatible remote references include **181SP, 185SP, 181TWSP, 185TWSP, 181XPR, 185SPR, 181TWXPR, 18LCDSP and 18LCDRE**. Confirm your installed system and receiver before replacing a different transmitter model. Other designs may have different buttons or displays; available functions through the supplied one-button remote depend on your system.

The remote supplied with this listing is the Pursuit 181TWXPR.

Programming Instructions

Pursuit 181TWXPR Programming Instructions

Standard Programming — Compatible Pursuit / Prestige TYPE 24 Systems

Have all transmitters intended to operate the system available before beginning. Locate the system's Valet/Programming switch. A compatible, functioning control unit must already be installed in the vehicle.

Ignition. Turn the ignition key to the ON position.

Enter Learn Mode. Press and release the Valet/Programming switch **three times**. The siren chirps to confirm.

Program Each Remote. Press the **single START button** on each transmitter you want to program. Wait for a horn or siren chirp confirming each transmitter was learned.

Finish. Turn the ignition OFF.

Test the supported remote functions after programming. If the system does not respond as described, consult the installed system's instructions or contact Access 1 Alarm & Audio for assistance.
