Short Description

Automate LED 2-Way And 1-Way Remote Controls

Description

Brand NEW Automate 7857A 2-Way, 1-Mile LED Remote Control And Companion 1/2-Mile, 1-Way 7656A Remote Control Combo. USB Charging Cable Included

This is Automate's newest LED 2-way and 1-way remote controls made for the Automate DS3/DS4 Systems including the 4606A, 4616A, 4816A and 4806A analog systems. This combo kit comes with both remote controls and the USB charging cable.

Are you just looking for a replacement Automate remote control for your system or maybe you just an additional remote control? Buy brand new from Access 1 Alarm and Audio!

Why buy from us? Well, we are the experts that only believe in perfection, from the quality of our images to the accurate description in each and every listing.

Automate's 7857A is the new elegant Responder LE 2-way transmitter and marks a giant leap forward in 21st century vehicle security and remote start systems with an evolutionary milestone for the keychain remote control. These slender &

sophisticated 2-Way remote controls feature a clean sleek ergonomic industrial design, made to fit the user's hand comfortably, enabling effortless and intuitive single-handed operation as Brilliant LEDs confirm your commands. This remote works with many Automate, AstroStart, Viper, Python and Clifford systems.

The included 7656A companion remote control is Automate's elegant new 5-button remote control transmitter. This slender & sophisticated 1-Way remote control features a clean sleek ergonomic industrial design, made to fit the user's hand comfortably, enabling effortless and intuitive single-handed operation.
