Short Description
2018–2020 Mercedes-Benz S Class factory-key remote start — $1,499.99 professionally installed in Cleveland. You must supply a working extra factory key dedicated to the installation. Factory Panic-button control and temperature-based activation of compatible heated seats and rear defroster. Optional SmartStart smartphone control +$200; cellular service separate.

Description
MERCEDES-BENZ S CLASS • 2018–2020

Extra factory key required. Professionally installed in Cleveland, Ohio.

Remote start your 2018–2020 Mercedes-Benz S Class with the factory key you already carry. Give the cabin time to warm up during a Cleveland winter or begin cooling before a summer drive, with temperature-based control of compatible factory comfort features.

Working Extra Factory Key Required

You must supply a working extra factory key for installation. This key is dedicated to

the remote start system and will no longer be available as your everyday spare. Confirm your exact vehicle, factory equipment and key compatibility before booking.

FACTORY KEY CONTROL

Factory Panic-button activation.

AUTOMATIC COMFORT

Temperature-based heated seat and defroster activation.

INSTALLATION INCLUDED

$1,499.99 at our Cleveland shop.

Designed Around Your Mercedes-Benz

- **Factory-key operation:** Activate remote start with the Panic button on your existing factory fob.
- **Automatic comfort:** Supports compatible factory heated-seat and rear-defroster activation based on outside temperature.
- **Vehicle-specific installation:** Required harnesses and professional setup are included.
- **Extra key required:** You must supply a working extra factory key dedicated to the installation.
- **SmartStart compatible:** Add Directed / Viper SmartStart for cellular smartphone control with active service.

Comfort functions require the corresponding factory equipment. Available functions depend on the vehicle configuration and installed hardware. Factory-key range depends on your original remote and surroundings.

$1,499.99 Installed

Includes the SKS-S-222-18-20 system, required harnesses, programming and

professional installation. Operates with your existing factory key fob; additional handheld remotes are not included. **A working spare factory key must be supplied by you.**

Available Smartphone Upgrade

Directed / Viper SmartStart +$200

Add cellular smartphone control for virtually unlimited range. Start your vehicle from virtually anywhere in the world with an active service plan, phone internet access and compatible cellular coverage at the vehicle. Supported alarm notifications require compatible installed equipment. Cellular service is separate from the installed package. Ask to add SmartStart when booking.

Installation & Warranty

Professionally installed, programmed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as you own the vehicle**. The optional VSM550 Pro interface has a **1-year warranty**. Existing factory keys are not covered as newly supplied remotes; cellular service has separate terms.

Frequently Asked Questions

Do I need to supply an extra key?

Yes. You must supply a working extra factory key for installation. That key is dedicated to the remote start system and will no longer be available as your everyday spare.

Will this fit my 2018–2020 S Class?

This listing is for compatible 2018–2020 Mercedes-Benz S Class vehicles. We confirm your exact vehicle, factory equipment and extra-key compatibility before scheduling.

How do I activate remote start?

Use the Panic button on your factory key fob. We demonstrate the configured start, stop and takeover procedure at pickup. Factory-key range depends on your original remote

and surroundings.

How do the heated seats and rear defroster activate?

The package supports temperature-based activation of compatible factory heated seats and rear defroster. The corresponding factory equipment is required; we confirm available functions and settings during installation.

Does $1,499.99 include installation?

Yes. It includes the SKS-S-222-18-20 remote start system, required harnesses, programming and professional installation at Access 1 Alarm & Audio in Cleveland. You must supply a working extra factory key.

Can I control it from my phone?

Optional Directed / Viper SmartStart smartphone control is available for an additional $200. An active service plan, phone internet access and compatible cellular coverage at the vehicle are required. Service is separate from hardware and installation.

What warranty is included?

The remote start system has a 5-year warranty, with installation labor covered for as long as the original purchaser owns the vehicle. The optional VSM550 Pro interface has a 1-year warranty. Existing factory keys are not covered as newly supplied remotes; cellular service has separate terms.

Call to confirm your **2018–2020 Mercedes-Benz S Class** configuration and spare-key requirements, then schedule installation at **10418 Lorain Ave, Cleveland, OH 44111.**
