Clifford DS4 D9656X Security

Brand: Clifford Product Code: DS4 D9656X Security Availability: In Stock UPC: 93207102882 MPN: DS4 D9656X Security Location: Cleveland

Price: \$389.99

Short Description

Clifford Viper vehicle security system with 1-mile range and Bluetooth smartphone control. This Clifford system is what you need and is equipped with a shock/tilt sensor and starter interrupt.

Description

The Clifford DS4 Digital Security System is a cutting-edge automotive security and remote start system designed to provide unparalleled protection and convenience for vehicle owners. With advanced features like smartphone integration and remote start capabilities (OPTIONAL), the DS4X ensures peace of mind and ease of use. Its intuitive interface allows users to control their vehicle from 1-mile away, while its robust security measures safeguard against theft and unauthorized access. Whether it's ensuring vehicle safety or enhancing comfort with remote start functionality, the Clifford DS4X offers a comprehensive solution for modern automotive security needs.

This premium system has all the features of the higher end 2-way systems without the 2-way remote controls. Just add a 2-way remote control in the future to turn the system into the premium 2-way system

Key Features:

- 1-Mile remote range
- Bluetooth Smartphone Control
- Parking Light Flash
- Failsafe® Starter Kill
- Digital DoubleGuard® Shock Sensor
- Digital Tilt Sensor

- Dome Light Supervision
- 5 Auxiliary Outputs
- Horn Honk
- Auto Re-Arm. If you lock you vehicle and do not enter the system will rearm itself
- Upgradable remote start capability
- SmartStart[™] GPS Compatible

Includes:

- Pair of 1-Way 7656X remote control
- All Required Harnesses for Installation
- Professional Installation*
- Lifetime warranty; 1-year remote control warranty

ADD-ONS:

- Backup Battery Siren
- Voice/Vocal Siren
- Additional siren
- Optional Special T-Harness (NO factory wires cut)

*The fine print: Not all vehicles are build the same and in some instances extra parts or labor might be required to install this system, such as; hood pins, data interfaces, relays, etc... Some vehicles might even require a completely different system or aren't supported.

Our Warranty

Access 1 Alarm & Audio provides to the ORIGINAL owner a lifetime warranty on the installed system and includes the Control Module (brain), Antenna, Program Switch. LED and labor.

- NOTE: The lifetime warranty DOES NOT include remote controls, which are covered by a 1-year warranty against defects.
- NOTE: Disconnecting or modifying the wiring by anyone other than Access 1 Alarm & Audio VOIDS the warranty.
- NOTE: If technology moves on and your system is obsolete due to the country's infrastructure progressing, we can't warranty the system. As what happened with the 2G cellular network.
