Short Description

Avital 1-Way Remote

Description

Brand NEW Avital 7111L 1-Button 1-Way Replacement Remote Control Transmitter For Avital Remote Start Systems.

Looking for a replacement Avital remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Avital system. The 7111L remote control works with many Viper, Python and Clifford systems.

Works with the following Avital Avistart systems:

- 4111L
- 4113L
- 4115L
- 4118L

Please make sure you have a working control unit installed in the vehicle prior to ordering this remote control. Programming instructions are included in the package and will require accessing your valet/programming switch. Video instructions will be available on our YouTube page under remote controls.

Please contact us if you have any questions.
