Description

KENWOOD DNX577S

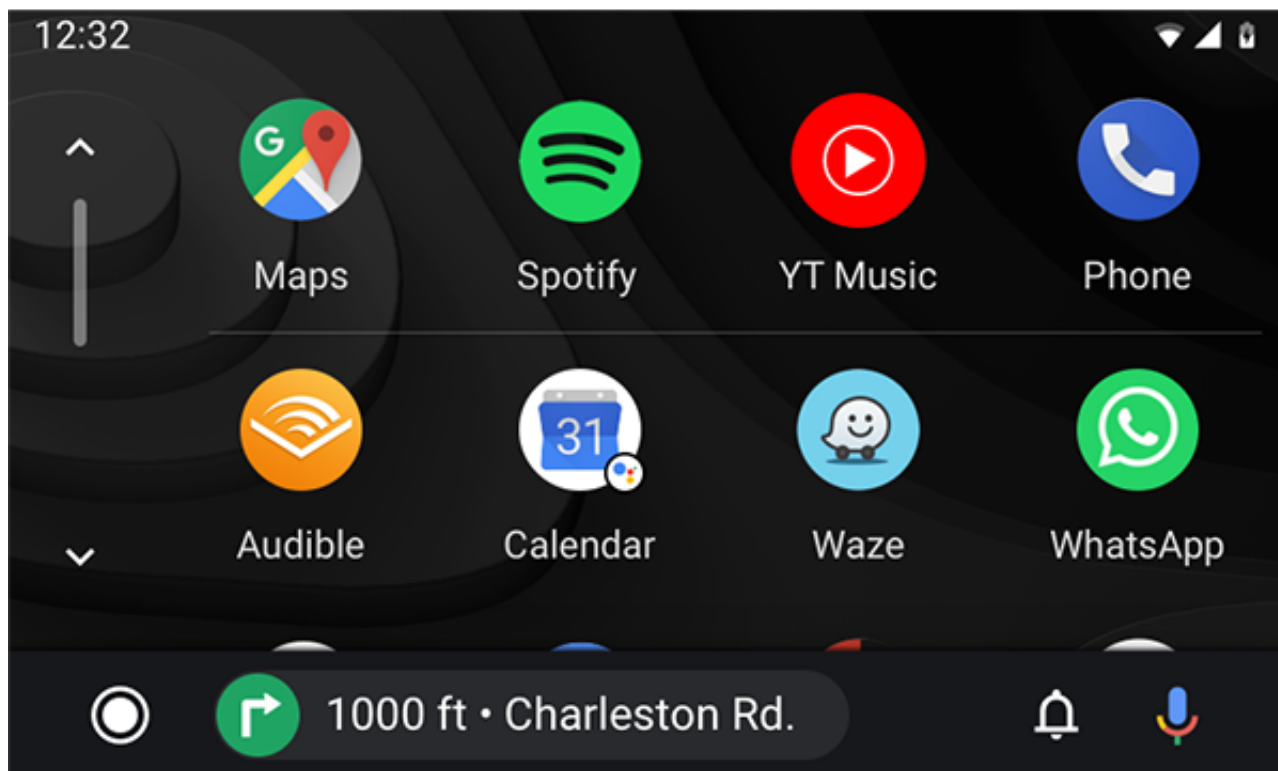

6.8" Navigation DVD Receiver with Apple CarPlay® and Android Auto™

\$799.95

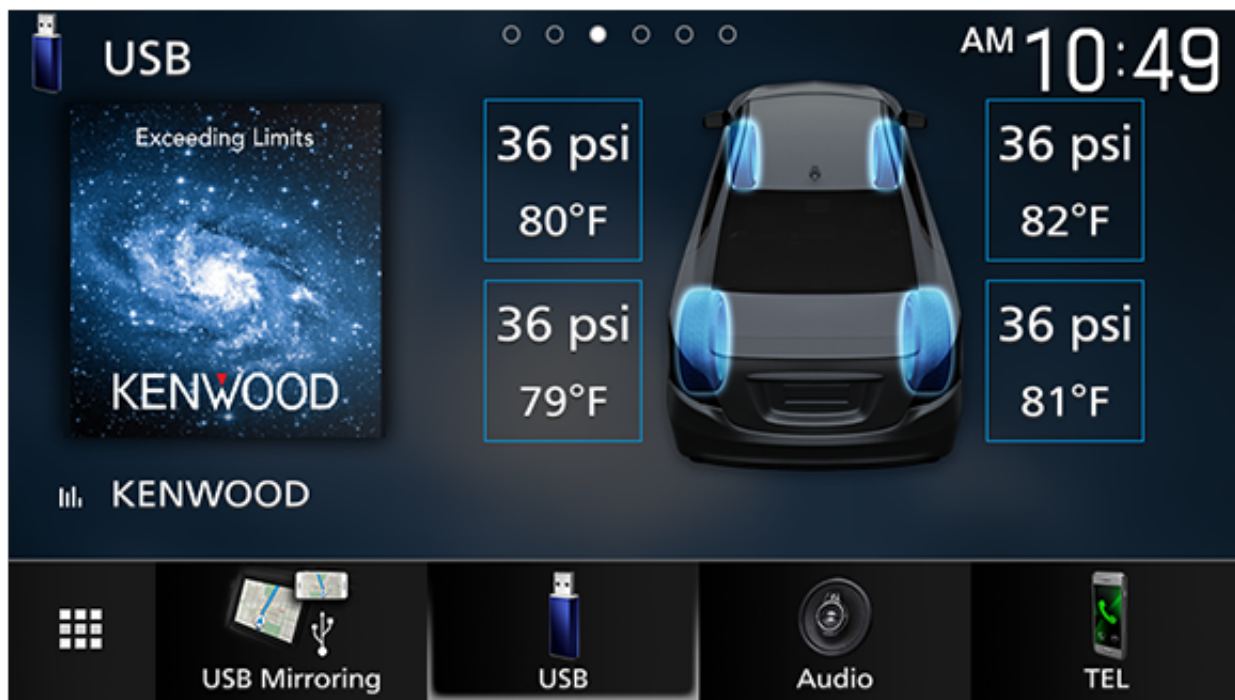

Safe, Smart and Comprehensive Control with Apple CarPlay™

Apple CarPlay™ is a safer way to use your iPhone in the car. Simply talk to Siri or touch the receiver's display to get directions from Apple Maps, make phone calls, listen to voicemail, send and receive texts, and listen to music from Apple Music or your favorite 3rd party streaming services like Pandora and Spotify, all in a way that allows you to stay focused on the road. With the latest iOS version (iOS 12.0 and higher), 3rd party navigation apps like Google Maps and Waze are also supported.

Android Auto for Easy Connectivity

Android Auto was designed with safety in mind, helping you to minimize distractions and stay focused on the road. KENWOOD's multimedia receivers combine an intuitive voice controlled interface with a large touch screen and superior sound quality, making it the perfect complement for your in-car life. You can even listen to and control music from your favorite streaming services like Pandora and Spotify. Navigate to where you need to with Google Maps or Waze.

ENHANCED VEHICLE INTEGRATION

Compatible with both the Automotive Data Solutions iDataLink Maestro RR and RR2 (sold separately)* for enhanced system vehicle integration. In addition to providing the seamless factory integration experience you have become accustomed to with the RR, these models feature expanded support when connected to the RR2, including an Advanced Driver Assistance Systems (ADAS) Widget, Customizable Accessory Controls, and compatibility with specific ESCORT radar detector systems (sold separately).

Hi-Res
AUDIO

Clear Resistive Touch Panel

A clear screen designed to reduce glare that includes a resistive touch sensor for accurate control during operation

Customizable Multi Widget

Customize your Home Screen by selecting four shortcut/information widgets. Widget options can include album art, clock, compass, photo frame, visualizer, and more.

USB Mirroring

USB Mirroring via USB for iPhone & Android, 2-way Touch Control for Android.

4 Camera Inputs

Optional camera connection method for up to 4 cameras in various configurations.

Parking Guidelines

Parking Guidelines (requires installation of compatible backup camera) that enhance the effectiveness of a backup camera.

Dash Cam Link

Dash Camera (DRV-N520) can be controlled and viewed from the touchscreen.

3 Years Map Care

KENWOOD offers 3 years map updates enabling you to keep up to date. Download the latest maps online to an SD card and insert to your navigation system.

Lane Assist

Lane Assist guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate.

Music Mix

Up to 5 Bluetooth® devices can be paired to the receiver at the same time. You can enjoy audio streaming just by switching the devices with your friends or family.

Dual Phone Connection

While you are connected through Bluetooth, with a touch of a button you can switch between two phones.

Graphic EQ / Digital Time Alignment

13-Band equalizer and DTA gives optimal tuning enhancements for listeners.

FLAC Supported

Compatible with various audio file formats from FLAC and WAV, to MP3, WMA and AAC.

Variable Color Illumination

Bright variable color LEDs can be adjusted to match any color dash lighting.

For information on third party apps, please visit the Apple CarPlay and Android Auto websites. Android, Android Auto and Google Play are trademarks of Google, Inc.

***Get expert installation for \$100 which DOES NOT include parts. You will need parts to install this into any vehicle, such as; wiring harness, dash kit, antenna adapter, Maestro steering wheel data controls, and anything else required for an expert integration.**
