### Short Description

Viper 1-Way Remote

### Description

**Brand NEW Viper 7153V 1-way 2000' Range 5-Button LE Replacement Remote Control Transmitter For The Discontinued 7152V**

Looking for a replacement 7152V Viper remote control for your Viper system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio! You will receive the new 7153V remote control.

The Viper 7152 was Viper's first generation LE 5-button remote control transmitter with rubberized black buttons. This slender & sophisticated 1-Way remote control features a clean sleek ergonomic design, made to fit the user's hand comfortably, enabling effortless and intuitive single-handed operation.

**The 7153V was designed to fix many of the issues of the 7152V such as the battery cover.**

**You will receive the new 7153V Viper remote control that replaces the discontinued 7152V.**

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. This remote works with many Viper, Python and Clifford systems and can be used in place of the 7152P or 7152X

**Works with the following Viper systems:**
