Short Description

Viper LCD 2-Way Remote & Leather Case

Description

Brand NEW Viper 7756V LCD Responder LC3 SST Supercode 2-way One Mile Range Remote Control Transmitter, USB Charging Cable and Premium Leather Case

Viper 7756V 2-Way LCD 1-mile remote control with included leather protective case for the added peace-of-mind that your investment is protected. Buy brand new from Access 1 Alarm and Audio!

Our leather cases are proudly made in the USA and are designed to fit your remote control with perfection. Each case is made from genuine cow hide, stitched with high tensile strength nylon thread and utilizes soft clear PVC plastic to protect the screen and buttons.

The Viper 7756V 2-way LCD 1-mile remote control is Viper's newest style of LCD 2-way remote control and is the standard remote for Viper's DS4 LCD Digital systems, the premium 3706V security system, 4706V remote start system or the 5706V remote start system with security. Further, it is the 2-way LCD upgrade for the 3606V, 4606V and 5606V Viper systems. Do you have the comparable Python and Clifford systems? You can replace those remotes with this Viper

remote control. Reference the application table below.

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. This is Viper's newest generation of Responder remote controls with the new Priority icons and text seen on a 20% larger LCD screen. The 7756V remote control has a built in lithium-ion rechargeable battery with micro-USB charging - all in the slimmest display remote on the market. This remote works with many Viper, Python and Clifford systems

Works with the following Viper systems:
