Short Description
Club coaxial speakers that will bring JBL pro sound to your vehicle

Description
Club coaxial speakers that will bring JBL pro sound to your vehicle. Their compact design means they'll fit into more vehicles than many other brands, and their high sensitivity delivers outstanding performance even with modestly-powered factory systems. Rugged polypropylene cones with the Plus One™ design deliver hard-hitting bass and long performance life. Edge-driven silk dome tweeters deliver broader and smoother high frequency response, never-harsh regardless of output level.
