Product Code: SPS-M601W
Stock: 1
UPC: 793276210715
MPN: SPS-M601W
Location: Cleveland, Ohio

Price: $129.95

Short Description
Alpine marine coaxial speakers that will bring high-end audio to your watercraft

Description
The SPS-M601W are 6.5” coaxial 2-way marine speakers that keep the music playing even in the harsh sun and surf found in the marine environment.

Just like you can get too much sun, your speakers can also take a beating from harsh rays. Not to worry though, because the SPS-M601W’s grilles meet ASTM D4329 testing standards for UV resistance to prevent them from discoloring. The speakers also meet ASTM B117 testing standards for salt spray and fog exposure to prevent against corrosion.

Features

- 50Hz - 20kHz Frequency Response
- Water resistant design, rated at IPX5
- UV resistant grilles, rated at ASTM D4329
- Salt spray and fog resistant, rated at ASTM B117
- High efficiency design runs easily off of factory or built-in head unit power for an

easy system upgrade
- Power Handling: 35W RMS 110W peak
- White Grilles

Specification

Speakers	
Speaker Brand	Alpine
Speaker Size	6..5"
Speaker Type	Coaxial
Sensitivity	89
Frequency Response	50Hz - 20kHz
Impedance	4 Ohm
Power Handling RMS	35 Watts / 110 Watts Max
Woofer Cone Material	Poly Propylene
Woofer Surround Material	Rubber
Woofer Basket Material	Poly Propylene
Tweeter Cone Material	Titanium
Grilles Included	Yes
Hi-Res Certified	No
