Short Description
Weatherproof 12-Piece Motorcycle RGB LED Strip Kit

Description
Weatherproof 12-Piece Motorcycle RGB LED Strip Kit

Add color to your ride with this 12-piece RGB lighting kit! The LED lights can be controlled via the smart device app for 16 million different color options, preset lighting transitions and flash patterns, the ability to flash the lights to music, and more. It is pre-wired with trigger controls so we can customize it to light up with the brake and turn signals, providing extra visibility for riders.
