Short Description
Weatherproof 13-Piece Cam-AM Ryker Chasing LED Strip Kit

Description
Weatherproof 13-Piece Cam-AM Ryker Chasing LED Strip Kit

This 13-piece chasing LED accent lighting kit is custom-designed to fit 2019-UP* Can-AM Ryker and Ryker Rally, and 2022-UP* Ryker Sport. The Can-AM kit features chasing LED lighting with programmable animations. Riders can also turn all lights red when using the vehicle's brakes, allowing them to be seen from a distance to increase visibility and safety. This kit includes everything needed for easy plug-n-play installation, with pre-wired LED strips for A-arms, the skid plate, gas tank, back engine, lower frame, and swing arm. This kit also comes with a remote control and can be remotely controlled using the mobile app.

FEATURES

- 13-piece kit is completely plug-n-play with OE-style connections
- Water-tight, labeled connectors for easy installation
- Rated IP68
- Lights controlled via the free downloadable app for smart devices
