Short Description
AstroStart LED 2-Way And 1-Way Remote Controls

Description
Brand NEW AstroStart 2621D-TX 2-way LED 1-Mile+ Range and 2611D-TX 1-Way Companion Remote Control Transmitter For AstroStart's Premium Systems

The AstroStart 2621D-TX 2-way LED 1-mile remote control is AstroStart's newest style of LED 2-way remote control and is the standard remote for AstroStart's premium DS3, DS3+, DS4 and DS4+ remote start - security system. Do you have the comparable Clifford, Python or Viper systems? You can replace those remotes with this AstroStart remote control. Reference the application table below.

Are you just looking for a replacement AstroStart remote control for your system or maybe you just an additional remote control? Buy brand new from Access 1 Alarm and Audio!

Why buy from us? Well, we are the experts that only believe in perfection, from the quality of our images to the accurate description in each and every listing.

Astrostart's 2621D is the new elegant Responder LE 2-way transmitter and marks a giant leap forward in 21st century vehicle security and remote start systems with an evolutionary milestone for the keychain remote control. These slender & sophisticated 2-Way remote controls feature a clean sleek ergonomic industrial design, made to fit the user's hand comfortably, enabling effortless and intuitive single-handed operation as Brilliant LEDs confirm your commands. This remote works with many Automate, AstroStart, Viper, Python and Clifford systems.
