Short Description

Prestige 181TWSP Replacement — Pursuit 181TWXPR Ships

Prestige 181TWSP discontinued — genuine Pursuit 181TWXPR replacement supplied. One brand-new 2-way, 1-button remote for compatible Pursuit / Prestige TYPE 24 systems. FCC ID: TBQT4-SS2W. **One CR2450 battery included. \$59.99 — replacement in stock.** You receive the 181TWXPR, not the discontinued 181TWSP. Programming required.

Description

Prestige 181TWSP Replacement Remote — Genuine Pursuit 181TWXPR Ships

The **Prestige 181TWSP is discontinued.** Order its compatible replacement here and receive **one brand-new, genuine Pursuit 181TWXPR 2-way, 1-button remote control** for supported Pursuit / Prestige TYPE 24 systems.

The single START button controls supported functions on your installed system. Available operation and two-way feedback depend on the system and configuration.

This listing includes **one genuine Pursuit 181TWXPR remote and one CR2450 battery. Programming is required.**

Prestige 181TWSP Discontinued — Pursuit 181TWXPR Ships Instead

When you purchase this listing, you receive **one genuine Pursuit 181TWXPR, not the discontinued Prestige 181TWSP**. The two remotes use the same FCC ID, TBQT4-SS2W, with a different shell. The 181TWXPR is the compatible replacement supplied for the TYPE 24 applications listed below.

\$59.99 — Replacement In Stock. Availability refers to the Pursuit 181TWXPR that will ship. **One CR2450 battery is included.** Programming is required.

\$59.99 — REPLACEMENT IN STOCK

**PRESTIGE 181TWSP
REPLACEMENT — PURSUIT 181TWXPR SUPPLIED**

Brand-New 2-Way 1-Button Remote — CR2450 Battery Included

GENUINE PURSUIT	Original manufacturer transmitter
------------------------	-----------------------------------

2-WAY REMOTE	For compatible TYPE 24 systems
---------------------	--------------------------------

ONE BUTTON	Single START button design
-------------------	----------------------------

BRAND NEW	One CR2450 battery included
------------------	-----------------------------

Genuine Pursuit 181TWXPR Replacement Remote

Use the 181TWXPR to replace an existing compatible transmitter or add a remote to a supported installation. Check the system model and receiver before ordering.

What you receive: One brand-new Pursuit 181TWXPR remote and one CR2450 battery. System control module and receiver are not included.

2-Way, 1-Button Operation

The 181TWXPR combines a single START button with two-way communication on supported installations. Follow your system owner's manual for button operation and feedback indications. A compatible, functioning system must already be installed; the remote does not add remote-start or security equipment to the vehicle.

- PR09976Z

Verify Installed Equipment: Compatibility depends on the system and receiver already installed in the vehicle. Vehicle year, make and model alone cannot establish transmitter compatibility.

Programming Required: Select this product's **Programming Instructions** tab for the learn routine. Programming uses the remote's **single START button**.

Owner's Manual: Look for the attachment, usually to the right of the product image.

Video Instructions: Visit the [Access 1 Alarm & Audio YouTube channel](#) for available operation and programming videos.

Compatible Remote References

Replacement or compatible remote references include **181SP, 185SP, 181TWSP, 185TWSP, 181XPR, 185SPR, 181TWXPR, 18LCDSP and 18LCDRE**. Confirm your installed system and receiver before replacing a different transmitter model. Other designs may have different buttons or displays; available functions through the supplied one-button remote depend on your system.

The remote supplied with this listing is the Pursuit 181TWXPR.

Programming Instructions

Pursuit 181TWXPR Programming Instructions

Standard Programming — Compatible Pursuit / Prestige TYPE 24 Systems

Have all transmitters intended to operate the system available before beginning. Locate the system's Valet/Programming switch. A compatible, functioning control unit must already be installed in the vehicle.

Ignition. Turn the ignition key to the ON position.

Enter Learn Mode. Press and release the Valet/Programming switch **three times**. The siren chirps to confirm.

Program Each Remote. Press the **single START button** on each transmitter you want to program. Wait for a horn or siren chirp confirming each transmitter was learned.

Finish. Turn the ignition OFF.

Test the supported remote functions after programming. If the system does not respond as described, consult the installed system's instructions or contact Access 1 Alarm & Audio for assistance.
