Short Description

Avital LCD 2-Way Remote

Description

Brand NEW Avital 7345L Responder LCD 2-way 1/4 Mile Range Remote Control Transmitter

Looking for a replacement Avital remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio! We specialize in Avital, Clifford, Python and Viper products, not printers, scanners or paper shredders. So when you call for assistance, you can be assured you are talking to a professional with over 20 years experience!

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. The 7345V 4-button remote control works with many Viper and Clifford systems

Works with the following Avital systems:

- 5305L

This remote control includes the battery. Please remove the plastic off the battery to power up the remote control.

NOTE: Consider purchasing with a leather case to help protect your remote control from accidental drops. View our Leather Cases also available in our store.

Please make sure you have a working control unit installed in the vehicle prior to ordering this remote control. Programming instructions are included in the package and will require accessing your valet/programming switch. Video instructions will be available on our YouTube page under remote controls.

Do you need the valet switch? Please add the valet switch to your order if you are not sure.
