

GET YOUR BASS ON WITH THE TOP OFF

PWE-S8-WRA

COMPACT POWERED 8-INCH SUBWOOFER SYSTEM FOR 2011-2018 4-DOOR JEEP® WRANGLER JKU

Upgrade your 2011-2018 4-door Jeep Wrangler JKU* with a 120 Watts subwoofer system.

The subwoofer plug & play system mounts to the driver's seat factory assembly for improved bass/mid-bass performance, even when the top is off.

This system works with an Alpine or aftermarket head unit, or with the factory Jeep radio.

FEATURES:

- 120 Watts bass upgrade for 2011-2018 4-door Jeep Wrangler JKU.*
- Under driver seat plug & play system for improved bass/mid-bass performance.
- Works with an Alpine or aftermarket head unit, or with the factory Jeep radio.
- Includes powered 8-Inch subwoofer, remote bass knob, harnesses and mounting brackets.

PWE-S8-WRA FOR:

2011-2018
4-Door Jeep Wrangler JKU*

* Not compatible with factory equipped subwoofer system.
