Description
Brand NEW Viper 7351V Responder LC2 2-way One-Mile Range LCD Screen Remote Control Transmitter WITH Leather Case

Viper 7351V Responder LC2 SST 2-way one-mile range LCD screen remote control for the Viper 5701 or 5301 WITH the high quality leather protective case. Looking for a replacement Viper remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. The 7351V remote control has a built in lithium-ion rechargeable battery with USB charging. This remote works with many Viper, Python and Clifford systems.

Works with the following Viper systems:

- 5301
- 3203
- 3303

- 5701

Works with the following Clifford & Python systems:

- 20.5X
- Python 333
- Clifford 330.3X

Our leather cases are proudly made in the USA and are designed to fit your remote control with perfection. Each case is made from genuine cow hide, stitched with high tensile strength nylon thread and utilizes soft clear PVC plastic to protect the screen and buttons.

This leather case features:

- Access port for the USB charger.
- Clear plastic protection for the screen and buttons.
- Raised leather edges to protect the side buttons from accidental activation.
- High quality button snap to allow for easy removal and cleaning.
- Thick leather to provide shock and impact protection.

*******Need the USB charging cable? Make sure you include it in your order to save money.*******

NOTE: Consider purchasing with a leather case to help protect your remote control from accidental drops.

Please make sure you have a working control unit installed in the vehicle prior to ordering this remote control. Programming instructions are included in the package and will require accessing your valet/programming switch. Video instructions will be available on our YouTube page under remote controls.
